

WEST SHORE RECREATION COMMISSION

February 22, 2006

Hey Instructors!

We'd love it if we were able to let the community know a little bit more about who you are. I have included an information sheet that we are asking you to fill out just describing who you are, what you like, what your background is, what your class is like, and more. This will be put into a brief bio added onto our website so that the community can get to know a little bit more about who are teaching their classes. Please remember that you can fill out as much or as little as you desire. Also note that if there is anything that you do not want to be posted on the website about yourself you are at liberty to neglect from adding that. We greatly appreciate who you are and all that you add to West Shore Rec so please take some time to let others know too!

We definitely want to try and get this information up while your classes are going on, so please respond by **Friday, March 17th**. Below is where all the information can be sent.

Thank you for taking the time to fill this out and I look forward to perhaps meeting you!
