Facility Guidelines

In order to use the school facilities for the league, the following stipulations must be followed:

- **Please do not bring children to your matches.** Please leave them at home with your spouse or a babysitter. There are numerous safety concerns regarding children at the matches. If it is absolutely necessary to bring your child, then please understand that you are accountable for their actions. *All children must be supervised at all times by an adult who is not playing in the games.* Any problems will jeopardize your right to play in the League.
- All spectators must remain in the gyms during the matches. No one is permitted to hang out in the hallways.
- When your team is the first match scheduled for the evening and the school youth basketball program is still practicing, ***you must stay out of the gym until they are finished.*** Please wait patiently in the hallway out of the gym area and remember no hitting or bouncing volleyballs in the hallways.
- No hitting or bouncing balls against the blue divider wall in the gym at Allen Middle School.
- Absolutely no soda/pop permitted in the gym. Only water may be brought into the gym and a lid must be kept on the container at all times. Please make sure all trash is placed in the waste receptacles.
- As with any West Shore Rec. program, drugs and/or alcohol are not permitted in the facilities or parking lots.
- There is not much space for spectators at the matches. Spectators will only be allowed as space permits.
- ***If your team plays the final match of the evening, all players must leave the building immediately after the match is completed.*** Players will only have time (a few minutes) to throw on a sweatsuit or other appropriate clothing and leave the building. Any team discussion that needs to take place must be done outside the building. Restrooms/locker rooms will not be available after the final match.
- Any player who does not adhere to the above stipulations may not be permitted to play in the league for the remainder of the season or in future seasons at the discretion of West Shore Recreation. We must follow these guidelines in order to insure future use of these facilities for the League. Thank you for your cooperation!
