

2008 Adventure Trip Pricing Information

As previously indicated there will be a separate weekly fee to cover the cost of the adventure trips. Below is a listing of the destinations and the fee charged for that specific week. As you might expect, transportation expenses keep increasing which has a direct effect on fees associated with this program. An updated invoice will be e-mailed to you showing your total additional charges. Please note that all trip **payments must be received by June 1, 2008** to avoid possible removal from the program.
